### INMATE GRIEVANCE PROCEDURE

You may submit a grievance about a condition in the jail if you think it is a problem or is unfair. You cannot grieve: disciplinary actions (there is an appeal process for that), incidents or problems which you were not party to, a collection of unrelated complaints, and no group grievances.

You may only grieve one issue per grievance. If the grievance lists more than one issue the grievance will be Administratively Closed and will not be considered exhausted.

Grievances must be filed within two weeks (14 days) of the event or occurrence. If the grievance is not filed within two weeks (14 days) of the event or occurrence it will be Administratively Closed and will not be considered exhausted.

A grievance is considered exhausted when the inmate provides all required information, complies with all grievance requirements, if no satisfactory resolution is reached the inmate sends the grievance to every available level, and obtains a final decision from the Sheriff.

To file a grievance, you must follow the steps below in the order shown. You cannot skip one.

- on 10/01/2019 Grievance #001477, on 10/10/2019 Grievance #001478 No medical Health care at all for food & water poisoning*
1. An inmate may request a Grievance Form from any Corrections Deputy at any time to bring to attention any perceived problems and proposed solutions. The inmate must clearly state the reason for the grievance to give the deputy an opportunity to resolve the issue before starting the formal grievance process. The Deputy will address any grievance within the scope of his/her authority and document any action taken regarding the request within seven (7) days.  
*my two Grievances was cover up By Day one, Redd a copy of the grievance from*
  2. If the complaint is not resolved to the inmate's satisfaction by the deputy, the inmate may send the Grievance Form to the supervisor by refusing to sign the grievance. The Supervisor will address any grievance within the scope of his/her authority and document any action taken on the form within seven (7) days. *I was not Inmate Lovell, Was not Resolved a tall*
  3. If the complaint is not resolved to the inmate's satisfaction by the Supervisor, the inmate may send the Grievance Form to the Facility Supervisor or his designee. The Facility Supervisor or designee will address the complaint and document any action taken on the form within seven (7) days. *Just cover up the whole thing*
  4. If the complaint is not resolved to the inmate's satisfaction by the Facility Supervisor, the inmate may send the Grievance Form to the Sheriff by refusing to sign the grievance. The Sheriff will address the complaint and document his decision via a written letter within fourteen (14) days. The Sheriff's decision will be final!

Inmates may file an Emergency Grievance in the event that circumstances exist to warrant one. This will be filed directly to the Jail Commander in a sealed envelope, utilizing the same Inmate Grievance Form.

Emergency grievances will include such issues as:

1. Emergency medical treatment
2. Fire and life-safety complaints
3. Claims concerning missed release dates
4. Other matters for which delay would significantly impact the life or safety of the inmate

*civil case no. 3:20-cv-00804-SB  
case no. 3:20-cv-00804-SB  
page 3 of 3.*

If the emergency grievance does not meet the criteria to be considered an "Emergency", the Jail Commander will redirect the grievance to a deputy to begin the standard grievance procedure as outlined above.

The inmate will not receive any copies of the grievance, attached documentation or responses until the issue is resolved to the inmate's satisfaction or the final answer has been issued by the Sheriff and the grievance is officially exhausted.

### **INMATE REQUEST FORMS**

Staff will select various inmates to do kitchen, custodial, laundry or maintenance jobs in the facility. Health care staff must clear you before you can participate in the worker activities..

You may receive work time credit only if you are sentenced and your sentence order authorizes it. Any change of a job description or shift must be approved by a Supervisor.

### **INTERCOM SYSTEM**

The call buttons in the cells are to be used for emergency purposes only. They are not to be used for any other communication. If the call buttons are misused, the inmate violating this rule will be written up for failure to abide by the rules of the Columbia County Jail.

### **LAW LIBRARY**

Inmates of the Columbia County Jail will be given access to one hour in the law library per request. Use of the law library will be limited only by time and the need to maintain the safety and security of the facility. To gain access, you must submit a request form at least twenty-four (24) hours in advance. You will be expected to take a note pad and pencil with you to the law library to assist you in your research. All law books, reference material and other articles must remain in the law library to ensure equal access for all inmates. There may be very limited copying capabilities available to you for which your account will be charged a fee per copy. No inmate will be denied this service based on an inability to pay.

When you finish, you are required to leave the law library orderly and neat. Please be aware that corrections staff cannot provide you with legal advice or legal assistance. If you have any questions, please consult your attorney.

DECLARATION UNDER PENALTY OF PERJURY OF ANTHONY WAYNE DEWEY, FEDERAL I.D. NO. 80706-065, COLUMBIA COUNTY BOOKING NO. 3760.

I ANTHONY WAYNE DEWEY, BEING COMPETENT TO MAKE THIS DECLARATION AND HAVING PERSONAL KNOWLEDGE OF THE MATTERS STATED THEREIN, DECLARES PURSUANT TO 28 U.S.C. § 1746:

CASE No. 3:20-CV-00804-SB

Civil case No. 3:20-CV-00804-SB

PAGE 2 OF 6

I WAS DETAINED IN COLUMBIA COUNTY JAIL FROM AUGUST 3, 2017 UNTIL SEPTEMBER 2019.

IN NOVEMBER OF 2016, I WAS SEEN AND DIAGNOSED BY KEIRAN K. TUCK, MD OF THE OREGON CLINIC, NEUROLOGY-WEST, WITH HYPERTENSION (ICD-401.9)(ICD10-LT T-1A (ICD-435.9)(ICD10-G45.9). HIGH BLOOD PRESSURE, HIGH CHOLESTEROL AND MINI STROKES.

I WAS STILL TRYING TO RECOVER FROM AN ATTACK I HAD IN OCTOBER 2016 WHEN I WAS ARRESTED WITHIN THE FIRST WEEK IN COLUMBIA COUNTY JAIL I HAD ANOTHER ATTACK WHICH LEFT ME VERY WEAK AND STUDDERING. COLUMBIA COUNTY JAIL MEDICAL STAFF SAW NO PROBLEM, HOWEVER A STAFF MEMBER OF COLUMBIA COUNTY MENTAL HEALTH THAT CAME TO INTERVIEW ME FELT OTHERWISE AND CONVINCED THEM TO TAKE ME TO THE HOSPITAL.

ON NOVEMBER 9, 2017, I HAD ANOTHER ATTACK IN WHICH I WAS UNABLE TO WALK, STUDDERING AND HAVING SEISURES. THE HEAD NURSE ON DUTY, NOT SHARON BROWN, HAD THEM CALL AN AMBULANCE AND TAKE ME TO THE HOSPITAL. THEY TOOK ME TO O.H.S.U. WHERE THEY DID A COUPLE TESTS WHICH REVELED NOTHING. I WAS UNABLE TO COMMUNICATE WITH THE DOCTOR DUE TO MY CONDITION. THE DEPUTIES THAT ACCOMPANIED ME TOLD THEM THAT WAS NORMAL FOR ME. THE DOCTOR RELEASED ME. BOTH TIME THE INSTRUCTION WERE TO BRING ME BACK IF SYMPTOM GOT WORSE OR RE-OCCURED

I HAD MORE ATTACKS ON NOVEMBER 13, 2017, NOVEMBER 16, 2017, NOVEMBER 21, 2017 AND MARCH 14, 2018, IN WHICH I COLLAPSED IN THE DAY AREA AND THREE OR FOUR DEPUTIES WOULD CARRY ME TO MY CELL AND LEAVE ME THERE. DURING THESE I WAS UNABLE TO WALK, STUDDERING, EXTREME HEADACHES, DIZZINESS, LIGHTHEADED AND SEISURES. THE SEISURES LASTING UP TO FOUR AND A HALF HOURS. THEY NEVER CAME IN TO CHECK ON ME, JUST

CASE No. 3:20-CV-00804-SB

LOOKED THRU THE WINDOW ON THEIR WAY BY. WHEN OTHER INMATES ASKED WHY THEY WERE NOT DOING ANYTHING TO HELP ME AND CONTINUED TO DO SO FOR A COUPLE WEEKS, THEY TOOK ME OUT OF THE POD (C-POD) AND PUT ME IN (A-POD) WHICH IS THE HOLE AND TEMPORARY ONE NIGHT FOR INTAKE INMATES. IN OTHER WORDS, THEY ISOLATED ME.

ON JUNE 24, 2018, THEY MOVED ME BACK TO C-POD. BUT ON AUGUST 12, 2018, I HAD ANOTHER ATTACK AND THEY PUT ME BACK IN ISOLATION AGAIN IN A-POD. THEY TOLD EVERYONE I WAS FINE AND TO MIND THEIR OWN BUSINESS.

ON NOVEMBER 16, 2018, I HAD ANOTHER ATTACK DURING A CRONIC CARE APPOINTMENT WITH NANCY ROMAN, THE HEALTH CARE PROVIDER. THE ATTACK CAME ON RIGHT IN FRONT OF HER. SHE PANICED SENT ME BACK TO MY CELL AND DISREGARDED THE WHOLE INCIDENT. THAT TIME THEY ACTUALLY PUT ME IN A CELL IN BOOKING ON A PAD ON THE FLOOR. THERE WAS NOTHING ELSE IN THE CELL NO BED, NO TOILET, NO SINK. THAT IS WHERE I LAYED HAVING SEISURES FOR FOUR AND A HALF HOUR. THEY LEFT ME IN THAT CELL FOR 24 HOURS.

IN ADDITION TO THE SEISURE PROBLEMS, I HAVE HIGH BLOOD PRESSURE. FOR THE LONGEST TIME I DIDN'T KEEP TRACK TILL ON DAY SHARON BROWN, THE PERSON IN CHARGE OF MEDICAL, MADE A COMMENT THAT MY BLOOD PRESSURE WAS TOO HIGH AND THAT SHE WASN'T GOING TO WRITE IT DOWN BECAUSE IT DIDN'T LOOK GOOD. A COUPLE DAYS LATER I ASKED WHAT MY BLOOD PRESSURE WAS TWO DAYS AGO. SHE LOOKED AND IT WASN'T WRITTEN DOWN. AFTER THAT I KEPT TRACK MYSELF AND IN DOING SO I FOUND 2 OUT OF THE 4 NURSES WROTE DOWN WRONG OR FALSIFIED BLOOD PRESSURES. A FEW TIMES THE PRESSURE WERE VERY DAGEROUSLY HIGH AND THEY WROTE NORMAL PRESSURES DOWN. SHARON BROWN AND A NURSE NAME SAMANTHA ARE THE TWO WHO FALSIFY RECORDS

I ALSO HAVE MOBILITY ISSUES. I TOOK 6 MONTHS AND FILING A GRIEVANCE TO GET MOBILITY ASSISTANCE. THEY REFUSED TO ALLOW ME TO HAVE MY OWN WALKER BROUGHT IN. SHARON BROWN SAID SECURITY WOULDN'T ALLOW IT BUT SECURITY SAID IT WAS MEDICALS CALL. WHEN I BROUGHT IT UP WITH NANCY RONAN, THE CARE PROVIDER, SHE KNEW NOTHING ABOUT IT. SHARON BROWN KEPT THAT INFORMATION FROM HER. SHE COULDN'T UNDERSTAND WHY I COULDN'T HAVE MY WALKER. SHARON BROWN SAW TO IT THAT THE GRIEVANCE DIDN'T MAKE IT TO THE SHERIFF.

ANOTHER ISSUE I HAD WAS MY FEET BEING SWOLLEN. THE PROBLEM STARTED ON OCTOBER 13, 2017 AND CONTINUED TILL A MONTH AFTER I WAS OUT OF COLUMBIA COUNTY. THE MEDICAL STAFF AND CARE PROVIDER LOOKED AT IT AND DID NOTHING EXCEPT GIVE ME TABLETS FOR WATER RETENTION. THE PROBLEM PERSISTED FOR SO LONG THAT I'VE LOST FEELING ON 1/2 OF MY FOOT AND STILL HAVE PAIN THROUGH MY ENTIRE FOOT DEEP INTO THE BONES.

ANOTHER ISSUE WAS EYE CARE. I HAVE WORN CORRECTIVE LENSES SINCE 1971. I'VE WORN CONTACTS EXCLUSIVELY SINCE 1983. COLUMBIA COUNTY WOULD NOT ALLOW ME TO HAVE CLEANSERS AND SOLUTIONS FOR MY CONTACTS OR ANYTHING TO STORE THEM IN. AFTER I WAS ARRESTED, MY DAUGHTER BROUGHT IN MY SUPPLY OF CONTACT LENSES. WHEN I HAD MY TIA ATTACK ON NOVEMBER 16, 2018, AND SPENT 24 HOURS IN THE CELL IN BOOKING. THEY CLEANED OUT MY CELL AND IN THE PROCESS THREW AWAY MY CONTACTS. WHEN I BROUGHT IT UP, THEY DENIED IT. THE FACT REMAINS MY REPLACEMENT LENSES WERE GONE. THEY DENIED MY FAMILY BRINGING MORE IN. MY ATTORNEY, AFTER TALKING TO THE U.S. MARSHALS' ADVISE ME TO PUT IN A REQUEST FOR A PRISON MEDICAL REQUEST

FOR NOT ONLY EYE CARE BUT TO SEE A NEUROLOGIST. THEY KEPT DENYING IT. SINCE NOTHING WAS HAPPENING, DEPUTY SANCHEZ WITH THE U.S. MARSHALS CONTACTED COLUMBIA COUNTY WHO DENIED GETTING THE REQUEST. IT FINALLY FELL UPON RAVI SINHA AT THE U.S. ATTORNEYS OFFICE AND HONORABLE MAGISTRATE JUDGE JOHN V. ACOSTA TO FORCE THE U.S. MARSHAL AND COLUMBIA COUNTY TO GET ME EYE CARE. ON JULY 24, 2019, I WAS TAKEN TO THE CASEY EYE INSTITUTE FOR AN EYE EXAM. THEY CHECKED MY EYES AND SAID THAT DUE TO THE LACK OF EYE CARE AND OXYGEN DEPRIVATION FROM POOP CARE, IT HAS DONE EXTENSIVE DAMAGE TO MY CORNEA AND INTO THE IRIS AND THAT I MAY NEVER WEAR CONTACTS AGAIN BECAUSE OF THE DAMAGE. THEY HAD NO AUTHORIZATION TO FILL ANY PRESCRIPTION FOR NEW LENSES (GLASSES). THAT TOOK ANOTHER HEARING WITH JUDGE ACOSTA TO FORCE THAT ISSUE AND IN THE MEANTIME I HAD NO CORRECTIVE LENSES TO SEE AND I AM VERY NEAR SIGHTED. ON AUGUST 1, 2019, I HAD THAT HEARING. AUGUST 2, 2019 HAD AN APPOINTMENT TO GET GLASSES. JUDGE ACOSTA GAVE THEM TILL MONDAY AUGUST 5, 2019 TO MAKE THE APPOINTMENT. MY GLASSES WERE DONE ON AUGUST 12, 2019 BUT THEY DIDN'T TAKE ME TO GET THEM TILL AUGUST 21, 2019.

THESE ARE JUST SOME OF THE ISSUES I HAD AND VERY BRIEF. I'VE PERSONALLY SEEN OTHER INMATES GO THRU THE SAME PROBLEMS. ANYONE WITH ACTUAL MEDICAL ISSUES WERE NOT CARED FOR. ONE ELDERLY GENTLEMAN, GENE BASKA, HAD PARKINSON'S DISEASE FELL IN THE SHOWER. THEY DID NOTHING AND WHEN HE GOT OUT A MONTH LATER HE FOUND OUT HE TORE A HOLE IN HIS KIDNEY IN THAT FALL.

THEY REFUSE TO GIVE MOST MEDICATIONS BECAUSE NOBODY IS QUALIFIED TO ISSUE THE MEDICATIONS. A NURSE PRACTITIONER (NANCY RONAN) IS THE

CASE No. 3:20-CV-00804-SB

PAGE 6 OF 6

CLOSES THING TO A DOCTOR,

I WAS TOLD BY ONE OF THE NURSING STAFF THAT AFTER I HAD THE ATTACK IN FRONT OF NANCY RONAN, THE CARE PROVIDER, THAT NANCY HAD AUTHORIZED MY SEEING A NEUROLOGIST. HOWEVER, SHARON BROWN HAS TO SEND IN THE P.M.R (PRISONER MEDICAL REQUEST) IN ORDER TO GET IT DONE AND SHE REFUSED TO FOLLOW UP WITH NANCY RONAN'S REQUEST AND A NUMBER OF REQUESTS BY ME. SHARON BROWN DECIDED AGAINST THE CARE PROVIDERS MEDICAL REQUEST.

I HAD SEEN AN INMATE THAT WAS DETOXING AND HAD OTHER MEDICAL ISSUES THAT THEY IGNORED. THAT MAN DIED AND WAS TAKEN OUT IN A WHEEL CHAIR TO COVER UP THE FACT HE WAS DEAD.

I'VE BEEN A LONG TIME RESIDENT OF ST. HELENS AND THE CITY PUTS OUT PUBLIC NOTICES TO NOT DRINK THE PUBLIC WATER. IT MUST BE BOILED BEFORE CONSUMING, YET THAT IS ALL YOU GET TO DRINK.

THEIR FOOD IS ANOTHER PROBLEM. THE SPECIAL DIETS WHICH THEY HAD REFUSED TO LET ME OFF OF WAS ALMOST ALL STARCH. THAT IS WHAT IS GIVEN TO DIABETICS AS WELL. BECAUSE OF THE AMOUNT OF STARCH WHICH TURNS TO SUGARS, DIABETICS HAVE TO TAKE MORE INSULINE TO CONTROL THEIR SUGAR COUNT. I MYSELF LOST 85 LBS AND MY BODY WAS CONSUMING ITSELF FROM POOR NUTRITION.

PURSUANT TO 28 U.S.C. § 1746, I DECLARE UNDER PENALTY OF PERJURY THAT THE FORGOING IS TRUE AND CORRECT. EXECUTED ON THIS THE 28TH OF JULY, 2020.

AFFIDAVIT OF

Columbia County Jail  
Staff, medical, Food

Jason Paul Schaefer

I, Jason Paul Schaefer, do hereby  
depose and declare the following to be true  
and correct, upon penalty for perjury:

I spent a total of about 12 months  
as an inmate at The Columbia County Jail.

I have, unfortunately, been incarcerated at several  
Jail Facilities, but Columbia County was by far

case no. 3:20-CV-00804-SR

page 2 of 3.

The worst in all regards.

There is simply nothing constitutional or legal about the policies and practices of the staff.

I was beaten physically, sexually abused by staff before a unit full of inmates, then denied medical treatment, and prosecuted for "Harassment". The prosecution was dismissed, but they tried.

Columbia County does not employ a full time doctor, but rather, a consultant, who only works occasionally. They are known to employ a policy of sicking dogs on uncooperative mentally ill inmates.

Inmates are denied access to grievance processes, and when an inmate complains to a court, retaliation is swift and sure.

I know Don Lovell because he was in a cell next to me at Columbia County Jail. I know he has severe medical issues, the most severe I have ever seen while in jail. I believe he has lung cancer or lung disease, and Hepatitis.

I believe Don Lovell's colon is destructing. As of this date, based on what I have seen and the maladies that Don Lovell describes to me including blood in

CASE NO. 3:20-CV-00804-SB

page 3 of 3

his stool, I believe Don Lovell will be dead within 12 months.

I have seen Columbia County Jail retaliate against Don Lovell for seeking medical treatment, Don Lovell was pushing the Panic Button in his cell requesting emergency medical treatment, and, despite the apparent emergency, Columbia County Staff punished Don Lovell, took away his commissary, and denied him any ability to go outside or walk around outside his cell.

He was punished for having a real, medical emergency.

Executed at Sheridan, Oregon, This August 13, 2020.

Portland, Oregon For Federal court on 10/03/2019.

From 8/21/2019 to 9/06/2019, I was Being  
Held at Multnomah County Jail 11540 N.E. Inverness Dr  
Portland, Or 97220, on 8/23/2019 the Very  
nice older Lady Doctor, She was trying to get  
Inmate Lovell medication For small cell Lung cancer.

Because we Both Had Look up in the  
medical computer, It Does state on  
1/24/2018 Federal Inmate Lovell, He is  
"Positive" to small cell Lung cancer, and also  
"Positive" to Hip C and also to get  
medication to 'Help Restart Intestine to  
work again, After Being "Poison" By eating  
medical special meal For 5 months in  
Columbia County Jail For my Judgment to Sentence  
on 9/20/2018, with 'No medical Health care  
at all For Being "Poison", or No medical Health care

I Donavan Anthony Wood have experienced a loss of Strength and Energy after drinking the water here at Columbia County Jail. I've been told the water our food is boiled and cooked in is contaminated. I've also been harassed by the guards countless times. An example is after our meal was late. Lunch which is supposed to be authorized and given at Noon, 12 p.m. was given at 12:45 p.m. leaving the inmates to question. After questioned. I know the guards have been getting later and later each day, What gives? The deputy in response. Dpt. Dawson responded, "Oh, we like to make you wait." I thought this was a little unnerving. Not only was I denied to talk to my Probation officer after constantly "felling out kites" but contacting my Attorney who put an email out directly to my Probation officer. Still no response and I am wondering what's going on. No response to my P.O. No response from either my Attorney or my P.O. They keep us in the Dark here, and something has got to give. Not only did they deny my Depression meds but made me feel like nothing was wrong with me until I had a mental breakdown forcing me to go into Suicide watch. Then I finally talked with a doctor to receive medicine for my mental illnesses. need to p number 2 with the food they give us.

I Jonathan James Andrews SID# 18057284, ON Tuesday 10-15-2019 was a material witness to Nurse Sharon Brown refusing medications to Don Lovell for the second time in a week's period. At Columbia County Jail in St. Helens OR at 9:45 am on 10-11-2019 & 9:30 am on 10-15-2019. Both times Nurse Sharon Brown told Mr. Lovell to get contaminated drinking water from the tap water in our cells. When Mr. Lovell was explaining he has a grievance in the work's because of this kind of treatment, both times Nurse Sharon Brown slammed the Food Tray door on Mr. Lovell & stated "No Water No medication & walked off, while Mr. Lovell was in process obviously of filling his plastic cup with the contaminated water."

I was just witnessed to a Nurse getting Angry & taking it out on Somebody that completely did not deserve her abusive behavior. This was the final straw for me, I can't sit around & watch this take place without saying something. I too have complaints about this Jail. Since my arrest date on 9-22-2019 I have been trying to get on my Religious Diet of Kosher Meal. So far I have been told No to my Buddhist Prayer Rug - As well as Bible! Today is 10-15-2019 3 days & I am still with out my Diet or religious materials. I've lost so much weight while being housed at this Jail, it's honestly making me weak & taking a quick plea bargain to go to Prison, So I can get away from this Jail & it's meals & water that are making me physically weak! I too have not enough Nutrients in the Diet they give us to use the restroom on a regular basis. I've only ten (10) small stools in 25 days at this Jail. Please help us just get Fair Quality. Thank you to Whom this may concern

I witness multiple violations here, the nurse denies medical attention, The deputies lie to our faces, Complain when we need help, give us attitude, The court system legally black mailed me, and charged me wrong, they give me measure 11 which is not constitutional. I didn't get an fair chance to prove my innocence, I did not get fair representation/ attorney, They do not feed us properly, Nor feed us enough/or properly, They leave us in harmful conditions, and when i report it, i am ignored. I have been fairley mistreated, disrespected on multiple ~~hands~~ times, i have been put in hazards and put in unsafe situations, With people with mental health conditions. They have put my life in danger, on multiple occasions. When i ask for help, i did not recieve help, i have been discriminated against, and treated unfairley, with prejvice

New case no 3.20.-cv-00804-SB page 5 of 5.

I Jonathan James Andrews am formerly filing another complaint against C/O Marguerite 58121 of the Columbia County Jail for gross misconduct & medical misconduct. For the date of 10-15-20. At 8:45 my cell mate Donald Lovell had to push the medical emergency button for me, while living in cell # A4b. I had started throwing up all over my bedding & bed. At 9:10 Deputy Marguerite #58121 finally walked into the cell & asked what was going on, when trying to explain he interrupted & said "have you filled out a medical rye?" He then said he would bring new blankets & sheets.

Then around 9:40 PM my cellmate Donald Lovell had to push the medical Emergency Button again cause I began throwing up the vial dinner that was fed to us again. Again Deputy Marguerite #58121 was back & refused medical help or clean & sanitary conditions to myself & my cellmate for the rest of his shift. I was stuck with soiled bedding as well as the fumes and odors of vomit in our cell A4b - All night.
